A MESSAGE FROM THE EXECUTIVE DIRECTOR

The Toronto Fringe exists upon the land of the traditional territory of many nations including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples, and is now home to many diverse First Nations, Inuit and Métis peoples. We acknowledge these nations as the original stewards, caretakers and knowledge keepers on this land, and the original storytellers. We are privileged to work, live, play, create, and convene here.

As I write this letter I am taking a moment to reflect on this past year, and how quickly it has passed by. It seems to me that everyone is so busy these days, so I ask myself: how do we ensure that we carve out time for ourselves and our passions? To me, Fringe is the perfect place to make this happen. It is 12 summer days filled with over 150 shows to choose from, our KidsFest programming and club, and, new this year, we are delighted to be making our debut at Streetcar Crowsnest, bringing the Fringe to both of their performance spaces and giving our East End audiences a chance to see a Fringe show in their own backyard.

As with the shows themselves, there is something for everyone at POSTSCRIPT, our patio at Scadding Court, featuring a fully stocked bar and mouthwatering food from Kanto by Tita Flips. This year we have the return of our free Music Fest, the Silent Disco and our Comedy Night, as well as mindfulness and self-care days.

I love telling people that **the Toronto Fringe is a lottery** and anyone who enters has a chance to tell their tale. I am immensely proud of the fact that **we give back 100% of the ticket sales to the artists**. And the fact that YOU are here reading this, willing to spend some of your precious time to be a part of it all, is the most thrilling thing of all. It truly takes a village to create this festival, so if you feel like dropping a toonie in the Tip the Fringe buckets at our venues, we would really appreciate it. We are a charitable, year-round organization and in order to be the best we can, we always need your support, especially as grants and funding become less secure.

So please carve out some time for yourself to Fringe this year, get totally absorbed in the festival spirit, and make it YOUR WAY; write your name on your program, grab your highlighter, favourite some shows, and go ahead and Fringe until your heart is content.

I look forward to seeing you there.

Much love and Happy Fringing,

Lucy Eveleigh
Executive Director

LETTERS

Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the 2019 Toronto Fringe Festival.

Since 1989, the Toronto Fringe Festival has given both emerging and established artists an opportunity to showcase their skills and share their stories with the community. I am certain that everyone in attendance will be entertained and inspired by the talent and creativity on display throughout this event.

I would like to commend the organizers and volunteers for their hard work and dedication to ensuring the success of this festival, year after year. I would also like to thank the artists and performers participating in this event for their contributions to Canada's theatre community.

Please accept my best wishes for a memorable experience.

Sincerely,

The Rt. Hon. Justin P.J. Trudeau, P.C., M.P.
Prime Minister of Canada

It gives me great pleasure to extend greetings and a warm welcome to everyone attending the Toronto Fringe Festival.

Now in its 31st year, the Fringe Festival showcases more than 150 productions at more than 30 venues throughout the downtown core. This festival keeps the indie and grassroots spirit alive while providing an enriching program for those in attendance.

I am delighted that wonderful events like yours are taking place in Toronto. Events like this festival promote and encourage residents to participate in their community, connect with each other and contribute to the community's strength.

Through the dedication and hard work of volunteers and organizers, the Toronto Fringe Festival is now the largest theatre festival in Ontario. The festival is a staple during Toronto's summer months as it garners the attention of people from all over the country. With its goal of providing residents access to theatre, the event continues to provide affordable tickets so that Torontonians can experience the rich indie culture prevalent in our city.

On behalf of Toronto City Council, I wish everyone an enjoyable and memorable event. Please accept my best wishes for continued success.

Yours truly,

John Tory
Mayor, City of Toronto

This year the Canadian Association of Fringe Festivals (CAFF) turns 25 years old!

Although Fringes have existed long before we did as an organization, we pride ourselves on the long-term support we have offered our member festivals over the years, and the foundation we have laid for the years to come.

We currently have 33 member festivals spanning Canada and the USA and we exist as an organization to unite, support, empower, and strengthen our member festivals in order to cultivate and foster independent artistic exploration for artists and audiences across North America.

CAFF members return 100% of the ticket price back to the artists and all festivals are selected either by lottery or on a first come/first served basis, ensuring that everyone has the same opportunity to tell their story on stage.

The CAFF member festivals are so lucky to be able to present to you a wide array of artists, some established and some telling their stories for the very first time. Supporting those artists are the festival producers, front of house staff, technicians, production managers, and countless others, as well as an incredibly dedicated team of volunteers at every festival. I want to take this opportunity to thank every one of those people who help facilitate these wonderful festivals because we all believe in the collective movement of Fringe, and that is truly a powerful thing. So thank you for being here, for taking some of your time to see a show or two, and for supporting your local Fringe Festival.

Happy Fringing,

Lucy Eveleigh
CAFF President

NEED SOME HELP?

Stop by the Festival Box Office at **POSTSCRIPT** (hockey rink, 275 Bathurst Street) and speak with our Patron Services Team. They know everything there is to know about making the most out of your Fringe experience. Ask them anything!

ACCESSIBILITY

The Toronto Fringe is committed to creating an inclusive experience for all patrons, staff, volunteers and artists. We continue to work with our community to identify, prevent and remove barriers so a fulfilling experience can be enjoyed by all. If you have access needs or a question about accessibility at the Fringe, contact our Accessibility Coordinator, Susan Wolf, at access@fringetoronto.com or call our Festival Box Office at **416.966.1062**. For more information go to fringetoronto.com/access.

Many Fringe shows are providing additional access at select performances. Shows that have opted-in will have an  icon beside their listing in this program. For detailed information about the type of accessible performance (Relaxed, ASL interpreted, and audio described performances) please refer to our Assisted Performances Supplement. Digital and print copies of this supplemental guide will be available in early June. If you would like to request to have one emailed to you, please contact access@fringetoronto.com. Make sure to check our website for up-to-date information throughout the festival: fringetoronto.com/access.

VENUE ACCESSIBILITY INFORMATION

Detailed accessibility information for each main venue is available on our website. Information includes door widths, ramp specifications, and accessible washroom details. General accessibility information for site-specific venues can also be found online.

VISUAL VENUE GUIDES

These online guides can help you get acquainted with a venue before you visit. There are guides for all main venues and some site-specific venues. They include directions to the venue and information on what you can expect when you get there.

PERSONAL SUPPORT WORKERS

We welcome people with disabilities who are accompanied by a personal support worker. Where a support worker is required, admission to all Fringe performances and events is free for the accompanying person. Every attending patron and accompanying support person must have a valid ticket to that performance or event. Please advise the box office when you purchase your tickets.

SERVICE ANIMALS

Service animals are welcome in all areas of our venues that are open to the public. Please advise the box office when you purchase your tickets.

PRIORITY SEATING

Patrons with access needs are requested to identify themselves at the venue box office at least 25 minutes prior to performance start times. Priority seating cannot be guaranteed after general admission begins.

ASSISTIVE LISTENING DEVICES

Listening Devices are available at these venues:

- #1 **Tarragon Mainspace**
- #2 **Tarragon Extraspace**
- #4 **Al Green Theatre**
- #10 **Theatre Passe Muraille Mainspace**

Quantities are limited; reserve in advance when purchasing your ticket.

RELAXED PERFORMANCES

These performances welcome patrons who may benefit from a less restrictive audience environment, such as patrons with sensory processing conditions, Autism, intellectual disability, or those with young children. Relaxed performances have a relaxed attitude to noise and movement, including reducing extreme sound and lighting effects, leaving house lights on at a low level, and allowing patrons to come and go.

AMERICAN SIGN LANGUAGE (ASL) INTERPRETED PERFORMANCES

We will provide ASL and/or Deaf interpretation for select events at **POSTSCRIPT**, the Fringe patio, and some shows will offer interpretation at one or more of their performances. Details online and in Assisted Performances Supplement.

AUDIO DESCRIBED PERFORMANCES

Audio Described Performances improve access for blind and partially sighted patrons by providing a live verbal description of the visual elements of a performance (sets, costumes, and nonverbal onstage action) as well as pre-show notes. Some performances require an earphone and receiver that can be obtained from the venue box office. Please identify yourself at least 25 minutes prior to performance start times to make use of these services.

We are grateful to the Metcalf Foundation for supporting our organization-wide accessibility initiative. Please see our Accessible Manifesto for more information at fringetoronto.com/accessibility/manifesto. We welcome your feedback.

DID YOU KNOW?

ALL SHOWS IN THE TORONTO FRINGE ARE CHOSEN BY LOTTERY.

WE EMBRACE CHANGE AT THE FRINGE!

Make sure to check our website fringetoronto.com for more details and any last minute changes to programming, schedules, and/or policies.

AFTER THE BEEP

Pamela Bethel

Despite risking death by embarrassment, Pamela presses play on recordings from the answering machine she had as a 1990s teen. Part confessional, part show-and-tell, the voices - from BFFs to wrong numbers - tell the story of an under-supervised over-achiever. A timeless time capsule for anyone who was ever a teenager or answering machine owner.

THE ASHES OF FORGOTTEN RAIN

Missed Metaphor Productions

It's opening night and the dressing room isn't big enough to contain all the egos. Tensions are high as long-standing grudges come to a head and the cast and crew become aware of their role in it all. What Fringe experience would be complete without a pretentious tale of comedy, romance, and the triumph of the human spirit?

A peculiar escape room. Trapped inside, four 30-something friends with very different takes on the best life path: The sensible nine-to-fiver, the party fiend, the ambitious artiste and the gentle peacekeeper with a life-changing secret. If they can just 4-7-8 and put their beefs aside long enough to solve the riddles, they might just break free.

Every performer's nightmare is having no one show up to their show, but what if only one person shows up? The show must go on right? Does the whole show change based on how one audience member reacts? Eric Andrews takes his audience on a funny bizarre and sort of sad journey into his eclectic world using the forms of communication that shaped the person he has become.
