Description & Details

The Toronto Fringe is a charitable arts organization that runs the Toronto Fringe Festival (every July), the Next Stage Theatre Festival (every Fall), and various year-round artist programs. The organization is a creative match-maker that connects artists with audiences, empowering everyone to unleash their inner artist. Notable productions that started at the Fringe and now enjoying commercial success include: *Kim's Convenience*, *Da Kink in My Hair*, *My Mother's Lesbian Jewish-Wiccan Wedding*, and Tony award-winning *The Drowsy Chaperone* got their start at the Toronto Fringe. The creators of *Come From Away* (now the longest-running Canadian musical on Broadway) and *TallBoyz* also got their start at the festival.

Our flagship event, the Toronto Fringe Festival, is the largest "un-juried" theatre and performance festival in Ontario, with hundreds of shows appearing across multiple venues over our 2-week festival. Our outdoor pop-up patio, POSTSCRIPT, accommodates hundreds of revelers each day of the festival (from approximately 11:00 a.m. to 1:00 a.m. each day).

A Snapshot of the Opportunity

The Toronto Fringe is entering its 33rd year! Once a festival of humble beginnings, the festival now boasts an operating budget of over \$2.5 million each year. The Fringe is ready to raise the bar and become an even stronger incubator of cultural expression for our city, for Canada, and for the world. The Board of Directors and Toronto Fringe staff are looking to grow the reach of the overall festival (after the pause button was hit due to the pandemic), and we're soliciting the involvement of individuals between the ages of 18 to 29 who wish to have an indelible impact on the lives of artist practitioners, audiences who deeply appreciate how important art and culture is to elevating the human experience as well as the Canadian economy.

We invite you to be part of our youth advisory committee; up to 6 individuals will be selected to join it. Individuals who aspire to working with and/or on Boards, and who have a passion for arts and culture, are encouraged to express interest.

Responsibilities of the Youth Advisory Committee:

- To act in an advisory capacity and a resource to Toronto Fringe staff and the Board of Directors, particularly as it relates to activities and initiatives that may be of interest to individuals in their age cohort;
- Promote the Toronto Fringe fundraising campaigns, events, and initiatives to personal and/or professional networks;
- Act as a Fringe ambassador in varying capacities, including raising awareness of Toronto Fringe activities to the general public;
- *NOTE: This advisory committee is a sub-committee of the Toronto Fringe Board of Directors.*

The advisory committee will meet approximately 8 times over the calendar and will serve a one-year term.
